

Is Your Audience Doomed To Be Forever-Poor Employees?

Give them this 7 question quiz and find out!

1. Do you know what employers want?
2. Do you know what the 4 things every employee must know are?
3. Do you know what an EntrEmployee is?
4. Have you ever brought a new money-making or money-saving idea to the company you work for?
5. Do you know who *really* pays the bills?
6. What 5 letter word can be worth a \$50,000 pay raise?
7. Are you afraid of losing your job to layoffs or downsizing?

If you don't know the answer to at least 4 of the questions above, you may be "A Forever-Poor Employee"... at least according to Cory Geffre.

That's the phrase I use to describe anyone who hasn't yet learned how to think, act and work like a business owner. I am the author of the ***How To Get A HUGE Pay Raise Training Manual***.

I have prepared what I call the "Forever-Poor Employee Quiz" to help employees determine whether or not they need to learn more information about how to get bigger and better pay raises. I devised this quiz when I noticed an increasing number of employees complaining about getting little or no pay raise year-to-year.

"Most employees don't realize how much they sabotage their own chances to get a HUGE Pay Raise", Cory Geffre tells employees.
